

Thomas E. Dwyer Wellness Program Innovation Award

We invite you to apply for the 2019-2020, Thomas E. Dwyer Wellness Program Innovation Award. **We are looking for a health/wellness initiative that shows ingenuity, creativity and innovation** and is a supplement to your existing Health Matters program. The proposed initiative should address employee benefits such as, reduced healthcare costs, greater workforce productivity, decreased absenteeism, reduced stress levels, improved employee health and increased morale. A monetary grant of \$5,000 will be awarded to the most creative initiative.

Name: _____
Title: _____
Entity: _____
Address: _____
City/Town: _____
Phone: _____
Email: _____

Attach an additional page for responses if necessary

Please provide a detailed overview of an innovative workplace wellness program or initiative aimed at improving overall employee health/wellbeing (examples: does the program reduce healthcare costs, decrease absenteeism, improve physical or mental health, boost morale, etc.).

How does the proposed program supplement your Health Matters wellness programming?

What products and/or services might you need to complete initiative?

Estimated breakdown of the price of products/services necessary to complete initiative?

How do you see the program being implemented?

Name of your Wellness Coordinator _____

Applicant's Signature

City/Town/School Official Signature

All applications must be received no later than Friday, December 20, 2019
